MUSICAL SOCIETY CONCERT.—The Concert of our Milwaukee Musical Society at Young's Hall, on Friday evening last, was decidedly one of the best they have ever given and gave the greatest satisfaction to the crowded audience The overtures were given by the orchestra, with their accustomed spirit and precision, the male choruses, especially "the Prayer of the Earth," were admirably sung, and Mr Weinberg's Solo on the Violin, with Orchestral accompaniment, was one of the finest specimens of instrumental music ever heard in our city — Mr Weinberg is a finished artist and our Musical Society may well be congratulated on this valuable accession — Let us not forget to add a word in behalf the indefatigable and most capable conductor, Mr BALATKA, whose untiring and successful efforts to cater to the entertainm nt of our music loving public are deserving of their warmest thanks and substantial return

TO THE ELECTORS OF THE County of Milwaukee.

FELLOW CITIZENS:—

I offer myself as an Independent Candidate for the Office of

COUNTY TREASURER

for the County of Milwaukee at the approaching Election on My reasons for taking this course are many Among them are the following

As you well know, I was a candidate before the late Democratic County Convention for the nomination to the office of County Treasurer, and it was well understood that I for a long time been promised this nomination, and it was the wish of a large majority of the Democratic party that I should receive it. You may say then why was I not nominated? I answer that the wishes of the party were not considered, that the Convention was packed by designing men, through fraud and corruption, and by the action of a clique of corrupt politicians, known among us as "the Court House Clique," I was defrauded of the nomination, and the true wishes of the party were not carried out. Relation in office has always been a cardinal principle of the Democratic party, but how is this principle carried out in our county? We see year after year the same clique of office holders through their official position and and the money belonging to the people by bribery and corruption, and the wire-pulling of party, remunerated to office, and this, too, when, after a fair trial, they are found utterly unfit and incompetent to discharge the duties of the office to which they aspire.

FELLOW CITIZENS! I have been a citizen of Milwaukee for the past eight years. I have never yet been an office holder, nor an office seeker. I have always attended to my own business, and that has been of a fair and honorable character, as all who know me will testify I have always heretofore acted with the Democratic party, and should do so now, were its self-constituted leaders anything but what they are. Will you, Democrats of Wisconsin, allow yourselves to be driven to the polls by these bad, designing men, or do you acknowledge them as your leaders. Now is the time to assert your rights, and show these men, this Court House clique, that they are mistaken, and that they state what is false, when they say, as Commodore Stockton did, that "they carry the State in their breeches Pocket"

Hoping to receive your suffrages, I will hereby pledge myself, if elected, to devote my whole energy and ability to the faithful discharge of the duties of the office devolving upon me

TIMOTHY CARNEY.

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Coldsy Pains, Heartburn Loss of Appetite, Despondency Costiveness Bl ot and Bleeding Piles In all Nervous Rheumatic and Neuralgic Affections it has in many instances proved highly beneficial, and in others effected a decided cure

This is a purely vegetable compound, prepared on their strictly scientific principles, by Dr. Boerhaave, after the manner of the celebrated Holland Professor, Boerhaave Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland It is used here and there over the face of this mighty country Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be appreciated

It is particularly recommended to those persons whose constitution may have been impaired by the continuous use of ardent spirits or other forms of dissipation Generally insensible at its effects, it finds its way to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit and, in fact, infusing new health and vigor in the system

NOTICE—Whoever expects to find in this a beverage will be disappointed but to the sick weak and low spirited, it will prove a grateful aromatic cordial possessed of singular medical properties

CAUTION!

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial One bottle will convince you how infinitely superior it is to all the imitations

TO LUMBER MANUFACTURERS AND DEALERS.
VALUABLE Property at private sale, situated on the Bank opposite Mackinaw, and on the Sheboygan River, containing about 18,000 Acres of land, a large portion of which is heavily timbered with best quality of pine. The improvements on this property are, 1st —the village of DUNCAN on the main land Steam Channel or pass is a large steam Mill, of modern construction with Sliding Machine, Shingle and Lath Machines, and capable of manufacturing fifty thousand feet of lumber in 24 hours; also, Hotel, Land Office, Store, and sundry dwelling houses and Smith shop. The Sheboygan Steam Mill, on and near the mouth of Sheboygan River The Sheboygan River Mill, and the Town at its mouth, with dwelling houses, barns, &c. At Duncan a Pier is erected, extending out to a sufficient depth of water to accommodate any vessel navigating the Lakes. This is admitted by navigators, by reason of the bay and Pier, to be the best Lake Harbor between Detroit and Chicago—it is a desirable Wooding and Coaling Point, being on the direct route for Propellers and sailing vessels This property is desirable as a point as which a town must soon grow up, as the country back of it is fast filling up, for many miles, with settlers.
The Sheboygan Water Mill has the entire power of Sheboygan River, a never failing stream of great volume, which never freezes, the dam being at the falls of the river, which will not require repair This is the most valuable water privilege in the State of Michigan, north of Grand Rapids
To a company or individuals, desirous of entering into the lumber trade, this property offers rare inducements with a certainty of greatly increased value in a very few years, and will be sold much below original cost, or present value, to close a concern
For terms, which will be accommodating, apply to
